

Auto Pay, the easy way to make your payments!

With our Auto Pay online payment service, you will no longer have to mail a check each month to Standard Mortgage Corporation. Auto Pay allows you to add extra principal to your payment, which will help pay your loan off earlier. Each monthly payment will be confirmed via an email message once we have processed your payment. Auto Pay is a FREE service for Standard Mortgage customers.

You can use Auto Pay to configure AUTOMATIC PAYMENTS for your mortgage loan. If you choose to activate Auto Pay - Recurring, you are still in control of how your loan payment is made. You can turn off Auto Pay – Recurring by contacting our Customer Service Department @ (800) 448-4190 if you decide to resume making payments manually.

To enroll in our Auto Pay program, simply complete the authorization form below, attach a voided check or deposit slip from the bank account to be charged each month, and return both items to our Customer Relations Department with your next payment. **You can also enroll on our website at www.stanmor.com. Please select and register for eStatus, where you can view your Auto Pay online payment options as well as your account information and payment history.**

You will receive an email confirmation once your registration has been processed.
